ABSTRACT

In interest of limiting knowledge of activities of OSO, it is desirable that contacts with War, Navy, State and other Departments of the Government be confined to the minimum.

Recommends that instructions be issued to sections of Office of Executive for Personnel and Administration who are assigned to support OSO to the effect that they contact other Agencies of the Government through the Office of OSO Control, [redacted] STAT

OSO personnel have been instructed to confine their contacts to the minimum. Suggests like instruction be issued the rest of CIG personnel.
